## SUMMER NEWS

### Welcome our summer intern!

We are so excited to have Meg Abbott here to serve our camp for the summer! Meg is from Hanover, PA and is a student at Houghton Wesleyan in NY majoring in equestrian management and psychology pre-therapy with the hope of using it for equestrian therapy. Now this is not therapy for horses but rather therapy for those with disabilities. Meg will be here through Family Camp so be sure to welcome her!

### SPRING BREAK WITH A MISSION!

Amazing work was completed as we came together for a fun week April 6-11 and accomplished many projects around the campus! Young and old alike pitched in to help! This

amazing group of teens from Emmanuel in Salisbury, an amazing group of seniors from Bethel Wesleyan in Goldsboro, the Ignite leadership team, and some from the Journey in Millsboro plus many many more came throughout the week. These groups helped with general cleanup, landscaping, painting and major improvements to the Crowder Center.

**Spring Break with a Mission Part II** was held on May 16. An amazing group from Cambridge church and a few other volunteers all gave their time as we continued renovations down to the Hope Center. This room is now ready for smaller gatherings and events with a refreshed ceiling, new energy efficient fans & lights and a neutral clean design!

Now the most used areas of our facility have an updated neutral decor that is perfect for any event or occasion! **THANK YOU** to all who helped!

### The Ministry

Much has changed to update the appearance of our camp but even more importantly hearts and lives have been changed! We have had retreats, a family reunion and two big camps where major impacts have happened! Kids camp focused on Jesus being our **HERO Holy - Exalted - Rescuer - Omnipotent**. Campers wrote their sins on a post-it and gave them to God by placing them literally on the cross...a beautiful moment! When you looked into the eyes of the kids you could see the change happening in their hearts. God is alive at camp and the people who come to camp leave changed!

# COTTAGE CORNER

## Pardon our Progress!

*Exciting stuff is on the way!*

### Moss Problem?

Want to get rid of the moss growing on your cottage roof? Try this homemade solution...we did and it worked great!

1 Gallon White Vinegar

1 Cup Salt

1 Tablespoon dish liquid

Spray mixture on the moss using a garden/weed sprayer. When the moss turns from green to brown (1-2 days) just easily sweep off! And keep moss from growing back naturally by putting a small strip of copper at the peak of your roof. The rain water will wash the copper down and naturally prevent moss growth!

### De-winterize Early!

With a rough winter finally behind us, don't wait until the week of family camp to de-winterize your cottage. Take a day, or even come for a weekend, to get things ready early so that it gives you time to get any leaks or issues resolved before family camp so you can enjoy the week!

### Need a getaway?

Why not use your cottage on weekends to get away from it all! Camp is a great place to come **Relax** your body, **Refresh** your mind, and **Renew** your spirit!

### Cottage Renovations!

Some members of our camp family have "adopted" camp owned cottages to spruce up, make improvements and ready them for our camping season!

We "designed on a dime!" Amazing Grace, Huffman, Welcome Inn, and Dentonian and they are looking great! Thank you to those who saw their potential and shared their time, resources and hard work!

**Go to our website [www.dentoncamp.org](http://www.dentoncamp.org) to see the cottage virtual tours!**

### Sparkling Clean!

Mr. Charlie has been working hard power washing all around our camp! Be sure to tell him how nice things look! Contact us to have your cottage power washed! (fee \$40)

### Trees

We need some help removing dead trees and planting new ones, if you can help or know of someone please let us know!

**LOTS OF THINGS HAVE BEEN HAPPENING AROUND CAMP AND YOU CAN FEEL THE EXCITEMENT IN THE AIR! THIS IS TRULY OUR YEAR TO THRIVE!**

Want to get involved or plan a retreat? We'd love to help! Let us know at (410) 479-3361 or [dentoncamp@gmail.com](mailto:dentoncamp@gmail.com)
