Upon arrival you need to check-in and see where you have been assigned for the weekend. If you are coming in a group PLEASE let us know on this registration form so we can seat you in close proximity if that is your desire. We ask that you not move in and trade spaces with someone else! If you desire to bring your own work space and chair let us know that too. Many crafters, especially quilters, might want to bring their own sewing table and chair. That is fine as long as it fits in our table length/width. We will leave a space bare for you! Small lights are welcomed; bring power strips to plug into our extension cords. If you sign up for classes, any fees will be paid to the instructor. Please bring a snack or snacks to share with the group. Special desserts are always welcomed. Your recipes are also encouraged – we will share them with the group.
